## General Context

### **Moving On: Curriculum and accreditation for students aged 14+ years, with learning difficulties**

Moving On offers an easy-to-use, flexible, all-inclusive curriculum with national accreditation for students aged 14+ years who experience difficulties in learning. It is written by teachers, for teachers. The curriculum is designed to assist schools and colleges with their planning and accreditation.

The Moving On esSENTials for life 14+ package contains the following programmes of learning:

- Five separate one-year programmes of learning: Adventurer, Explorer, Traveller, Voyager and Globetrotter. These can be taught in any order or combined.
- The **NEW Essential Skills; Literacy, Numeracy and ICT**
- Functional Skills
- Sex and Relationships Education.

It is appropriate for students with cognition and learning needs including severe learning difficulties, and profound and multiple learning difficulties and complex needs.

It is complemented by EQUALS own National Accreditation programme to celebrate annual achievement (visit <http://equals.co.uk/14plus/>) and it can also be used to provide evidence of achievement to support Foundation Learning Entry 1 Personal Progress Qualifications (appendix 1). Achievement is reported against the original Foundation Learning 10 Stage Achievement Continuum developed by QCDA (appendix 2).

## Moving On Essential Skills: Literacy, Numeracy and ICT

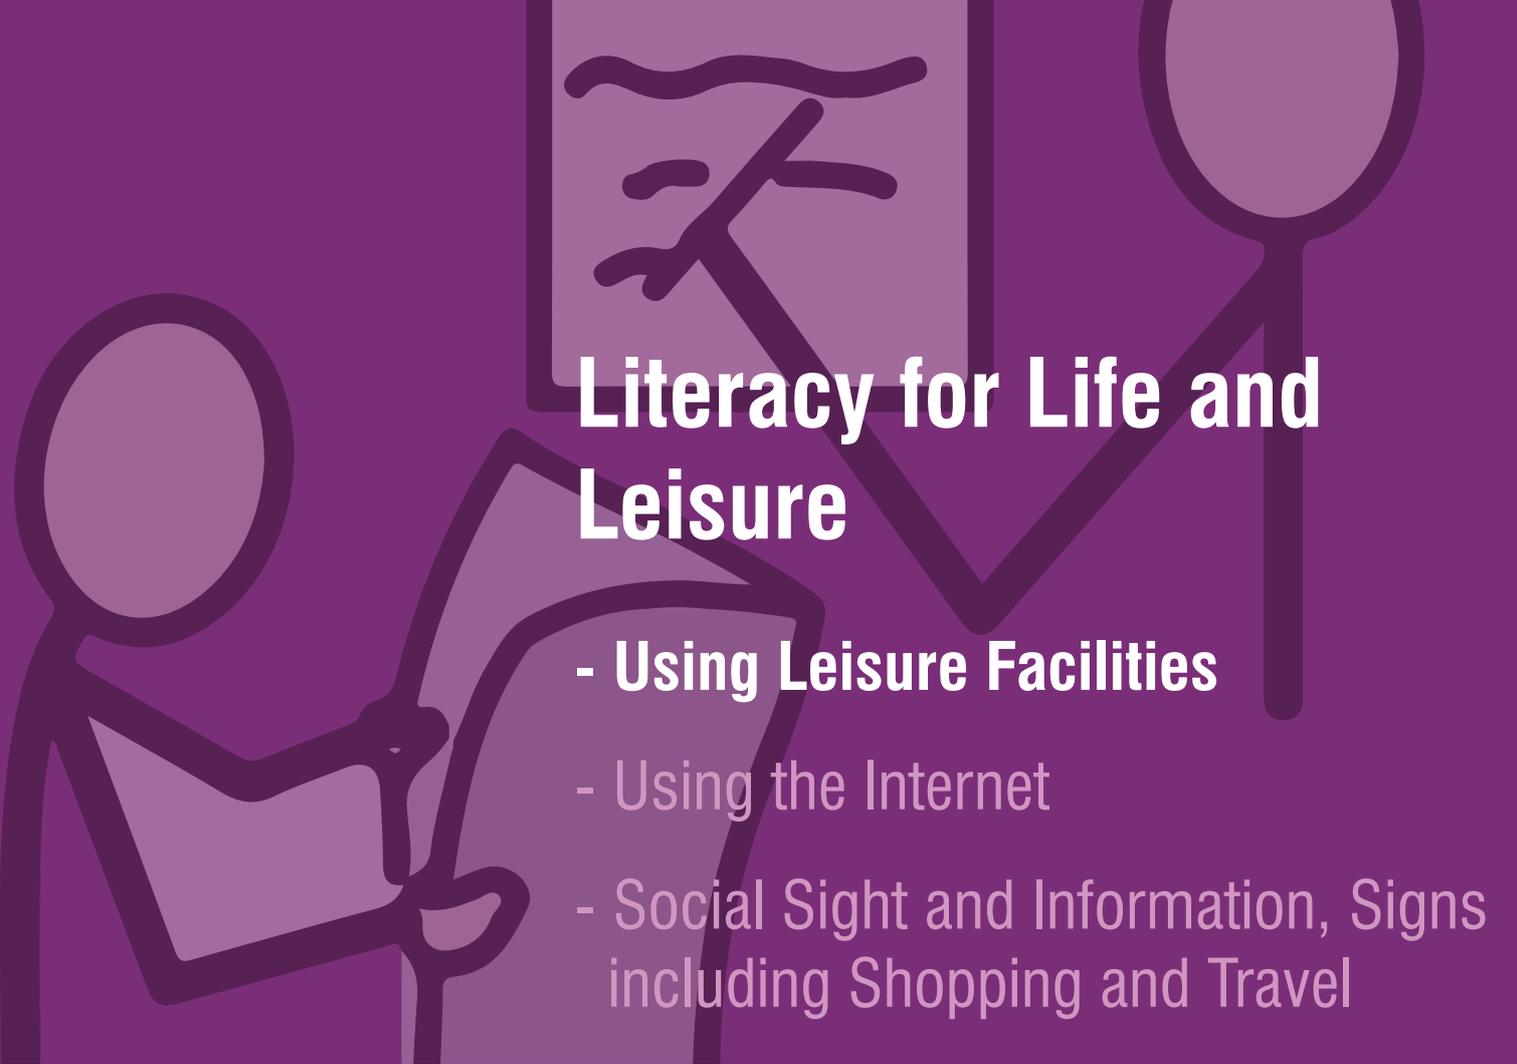

<b>Programme Outline</b>				
<b>Literacy</b>				
Sharing Information	Creating an Interest	Literacy for Information	Literacy for Life and Leisure	Literacy for the Future
Letters and Postcards	Poetry, Plays and Songs	Magazines and Newspapers	Using Leisure Facilities	Form filling and Personal Details
People and Events	Books including Traditional Tales	Using a Library	Using the Internet	This is Me and Personal Statements
Collecting and using information including surveys and opinions	Films, Radio, T.V. and Theatre	Bibliography and Factual Literature	Social Sight and Information, Signs including Shopping and Travel	Group Discussions and Debate
<b>Numeracy</b>				
Maths in Everyday Life	Maths for Life	Maths for the Community	Maths for Design	Maths for the Future
Measurement and Volume	Shopping	Maps, Travel and Timetables	Repeating Patterns	Enterprise
Weighing and Cooking	Domestic Appliances	Using Leisure Facilities	Shape, Colour and Space	Work
Time	Telephone and Communication	Money	Design	Financial Responsibility
<b>ICT</b>				
Keeping in Touch	ICT for Pleasure, Leisure and Information	ICT in Enterprise	ICT and Creativity	ICT for the Future
Exchanging Information; e-mail, texting	Use of Community ICT Facilities	Design; Corporate Images, Logos	Film Making	Using Search Engines and Websites
Social Networking	Touch Technology including iPads	Animation	Creating Stories	Presenting Personal Information and C.V.s
News Sharing	Digital Photography	Promotion and Advertising	Creating Music / Sounds	Shopping; online (internet), in the community
