EQUALS is a registered charity and has to self-finance all of its activities. EQUALS is committed to supporting teachers of pupils with SLD, PMLD and MLD.

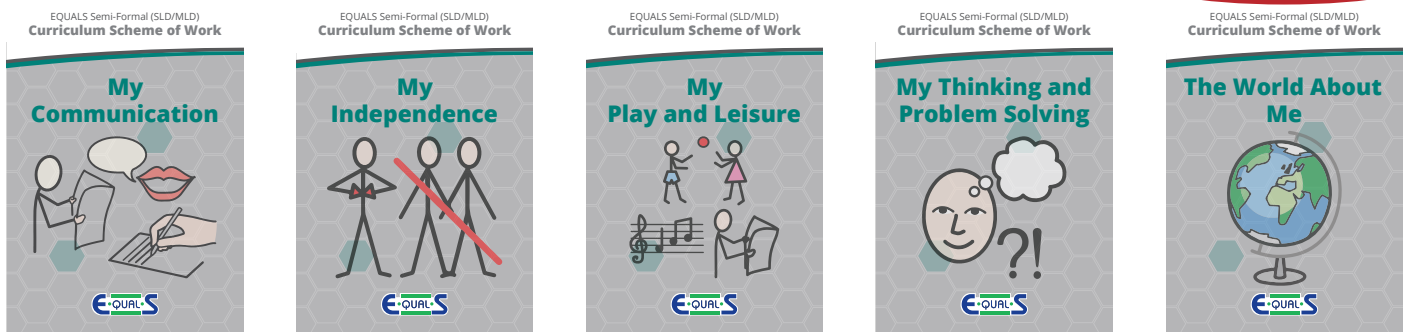

Over the past 23 years, EQUALS has built up a strong record in supporting teachers, who are teaching pupils who are working within the full range of the P Scales and the early levels of the National Curriculum.

Members of the EQUALS Executive have been involved in a number of projects seeking to influence the development of new national initiatives. By being a member of EQUALS you can inform our Executive of issues that affect the pupils in your school and we in turn can raise the issues with the government and other SEN related organisations. EQUALS is a professional organisation that seeks to deliver the highest standards of education to pupils with learning difficulties. EQUALS endeavours to respond quickly to provide focused seminars, workshops and teaching materials that enhance teacher practices in the classroom.

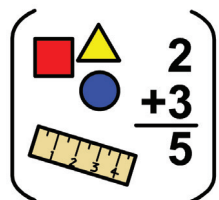

Please help support the work of EQUALS and benefit from HUGE discounts on essential teachers curriculum resources, training and national conferences.
