Confident Parenting Handbook and DVD – available to purchase now!

The Handbook and DVD are designed to help empower new group facilitators to support parents on their difficult road to confident parenting. The DVD needs to be used in conjunction with the Handbook to raise parents' awareness of the key components of confident parenting, equipping parents with the necessary skills, techniques and strategies to improve their child's behaviour. These materials are the result of working in partnership with parents as true participants in the change process through a group work approach. – Please visit our website for further information.

HEADS Summer Conference in Newcastle - 22nd May 2020 at the Crowne Plaza Hotel – Working Effectively with Traumatised Children/Trauma Informed Care/Trauma Informed Schools
